

PRES RELEASE

The 2nd Annual Spokane Bioneers Conference is October 17th - 19th at Spokane Falls Community College.

Bioneers catalyze a transformation to live on Earth in a way that honors the web of life and each other.

The conference will feature a live satellite downlink of the Bioneers Conference in San Rafael, CA, as well as an exciting slate of local workshops focusing on topics such as food & farming, green building, river rights, art, spirit and more.

You can deepen your involvement in your community, connect with kindred spirits and renew your sense of what is possible.

More information is available at 509-209-2394 or sustainspokane.org
